

SINCE 604 AD

KING'S SCHOOL

ROCHESTER

Since 604AD, King's School Rochester has educated the local people in Rochester and Medway. We are immensely proud of our history and the School of today; the education we offer for boys and girls between the ages of 3 to 18, provides a forward-looking preparation for a globalised future. We wish the members of our community to be happy and fulfilled, and our purpose as a school is to offer an outstanding all-round education that enables each individual to flourish.

Our founding forefathers, St. Justus, and St. Paulinus, sent from Rome as part of a Christian mission in the early 7th Century, provide us with an ongoing sense of duty, moral purpose, and resilience in the 21st Century. In the spirit of our ancient Christian foundation, we encourage our pupils to 'Work Hard, Play Hard and Look After Each Other.' At the centre of everything we do is the HEART of King's. By being part of this community, each one of us aspires to the attributes and qualities of Happiness, Endeavour, Aspiration, Roundedness, Teamwork.

These fundamentals are driving us to develop the School in an ever-changing world. To continue achieving our targets, we have created the Roffensian Foundation to raise additional funds from our past pupils, parents, and friends for two parallel objectives.

- Foundation Awards – We want to offer additional bursaries, allowing secondary school pupils to join us and benefit from an education that would not necessarily be available to them.
- Inspirational Facilities – We want to evolve our facilities to ensure our pupils and partners in the local community are using sustainable, green facilities that meet the requirements for cutting-edge 21st-century education.

Given these goals of improving the School, and enhancing our support of the local community and our pupils, the Roffensian Foundation will enable friends of the School and alumni to pledge their support. We want to raise over £10 million in the next 10 years. The Roffensian Foundation will work to achieve these targets and enable the School to operate for a further 1400+ years, providing the expertise and education that enables generation after generation of local pupils, to provide value to their families, and mankind. We are a "School for Life".

Specific plans and targets are summarised in greater detail in our campaign booklet (https://issuu.com/qflip/docs/ksr_campaign_document_flipbook_7325473718d6d1). Support for the Foundation is possible by regular or one-off pledges. If you are interested in supporting our goals, please contact Mark Snoswell, Development Director on 01634 888555 or via email at msnoswell@kings-rochester.co.uk.
